

What it means to be a Summer Reading Sponsor for the Atchison Library:

Why should you donate?

During Summer reading, the Atchison Library serves the community by providing free programs for all ages. Every member of the Atchison community is welcome to attend any of our Summer Reading programs. Donations help ensure our patrons have access to worthwhile, enriching programming.

What are the benefits of donating?

Sponsors are sent a "Thank You" card written by one of the APL staff members. If you donate over \$50, the APL will put your logo and name on our website, Facebook, and Instagram. All sponsors are also included in our June and July newsletter.

What are the options?

The Atchison Library is more than happy to accept donations of any amount. Where specifically does your donation go?

Donations made for Summer Reading, unless specified otherwise, go to a general fund that any of our programming librarians can use to create the best events possible. This fund is only for Summer Reading and cannot be used for anything other than Summer Reading.

If you intend to donate to a specific program or age group, we encourage you to bring in a poster or some other physical signage to show at the event. Feel free to reach out to our programming librarians to see what events they are hosting this Summer:

Jenny Wirt: jwirt@atchisonlibrary.org

Leichen Wagner: lwagner@atchisonlibrary.org

Rose Parker: rparker@atchisonlibrary.org

Mary Domann: mdomann@atchisonlibrary.org

Sponsors of the Atchison Library can donate in person or through the mail. We accept checks or cash donations. Our address is 401 Kansas Ave. Atchison, KS 66002. When donating through the mail, please be sure to include your business information.

For more information on how to donate, please email mparsons@atchisonlibrary.org.

Thank you for your consideration!

Sincerely, Your Friends at the Atchison Library
